

Thank you for the opportunity to quote on digital turned edge binders. Here are the advantages of these digital turned edge binder binders:

- Made of 100 pt board so they are very strong.
- Fully printed digitally on the outside in 4 color process so you can do more graphically if you like with this binder. (inside is not printed)
- Low cost at low quantities when compared to offset printed binders
- Fast turnaround 5 to 7 days
- Production proof so you know what you will be getting
